OPINION LETTER NO. 1-2019

The Honorable John R. Ashcroft
Missouri Secretary of State
James C. Kirkpatrick State Information Center
600 West Main Street
Jefferson City, MO 65101

Dear Secretary Ashcroft:

This opinion letter responds to your request dated December 27, 2018, for our review under § 116.332, RSMo, of the sufficiency as to form of an initiative petition to amend Article I, of the Missouri Constitution submitted by Patricia Thomas, (2020-0019).

We approve the petition as to form, but § 116.332 gives the Secretary of State final authority to approve or reject the petition. Therefore, our approval of the form of the petition does not preclude you from rejecting the petition.

Because our review of the petition is simply for the purpose of determining sufficiency as to form, the fact that we do not reject the petition is not to be construed as a determination that the petition is sufficient as to substance. Likewise, because our review is mandated by statute, no action that we take with respect to such review should be construed as an endorsement of the petition or of the objectives of its proponents, or the expression of any view respecting the adequacy or inadequacy of the petition generally.

Very truly yours,

Dear Secretary Ashcroft:

This opinion letter responds to your request dated December 31, 2018, for our review under § 116.332, RSMo, of the sufficiency as to form of an initiative petition submitted by Gerald Peterson, (2020-028).

We conclude that the petition must be rejected for at least the following reasons:

1. The petition does not contain "all matter which is to be deleted included in its proper place enclosed in brackets and all new matter shown underlined" as required pursuant to § 116.050, RSMo.

Because of our rejection of the form of the petition for the reasons stated above, we have not reviewed the petition to determine whether additional deficiencies exist. Pursuant to § 116.332.4, RSMo, the Secretary of State is authorized to review this opinion and "make a final decision as to the approval or rejection of the form of the petition."

Dear Secretary Ashcroft:

This opinion letter responds to your request dated January 18, 2019, for our review under § 116.332, RSMo, of the sufficiency as to form of an initiative petition to amend Article X of the Missouri Constitution submitted by Rik Combs, (2020-038).

We approve the petition as to form, but § 116.332 gives the Secretary of State final authority to approve or reject the petition. Therefore, our approval of the form of the petition does not preclude you from rejecting the petition.

Because our review of the petition is simply for the purpose of determining sufficiency as to form, the fact that we do not reject the petition is not to be construed as a determination that the petition is sufficient as to substance. Likewise, because our review is mandated by statute, no action that we take with respect to such review should be construed as an endorsement of the petition or of the objectives of its proponents, or the expression of any view respecting the adequacy or inadequacy of the petition generally.

OPINION LETTER NO. 35-2019

February 1, 2019

Elizabeth Ziegler
Executive Director
Missouri Ethics Commission
P.O. Box 1370
Jefferson City, Missouri 65102

Dear Director Ziegler:

I write in response to the Missouri Ethics Commission's ("MEC's") January 15, 2019 request for an opinion of the Attorney General. By way of background, in the November 2018 general election, the voters of Missouri approved Amendment 1, which amended certain portions of Article III of the Missouri Constitution. Amendment 1 included two provisions relevant to this opinion. First, under Amendment 1's "waiting-period" provision:

no person serving as a member of or employed by the general assembly shall act or serve as a paid lobbyist, register as a paid lobbyist, or solicit prospective employers or clients to represent as a paid lobbyist during the time of such service until the expiration of two calendar years after the conclusion of the session of the general assembly in which the member or employee last served.

Mo. Const. Art. III, § 2(a). Second, under Amendment 1's "gift-limitation" provision:

[n]o person serving as a member of or employed by the general assembly shall accept directly or indirectly a gift of any tangible or intangible item, service, or thing of value from any paid lobbyist or lobbyist principal in excess of five dollars per occurrence.

Mo. Const. Art. III, § 2(b).

The MEC has requested the Attorney General's opinion on whether § 105.957.1(6), RSMo, authorizes the MEC to receive complaints of violations of Amendment 1's waiting-period and gift-limitation provisions. The MEC has also requested the Attorney General's opinion on whether the

MEC has authority to issue advisory opinions regarding the waiting-period and gift-limitation provisions.

Section 105.957.1 provides that the MEC:

shall receive any complaints alleging violation of the provisions of:

- (1) The requirements imposed on lobbyists by sections 105.470 to 105.478;
- (2) The financial interest disclosure requirements contained in sections 105.483 to 105.492;
- (3) The campaign finance disclosure requirements contained in chapter 130;
- (4) Any code of conduct promulgated by any department, division or agency of state government, or by state institutions of higher education, or by executive order;
- (5) The conflict of interest laws contained in sections 105.450 to 105.468 and section 171.181; and

§ 105.957.1, RSMo. The MEC may issue advisory opinions, upon written request from affected parties, “regarding any issue that the commission can receive a complaint on pursuant to section 105.957.” § 105.955.16, RSMo.

For the reasons stated below, we conclude that § 105.957.1(6) authorizes the MEC to receive complaints of violations of Amendment 1’s waiting-period and gift-limitation provisions, and to issue advisory opinions regarding those provisions.

ANALYSIS

The “primary rule of statutory interpretation is to give effect to legislative intent as reflected in the plain language of the statute at issue.” *Peters v. Wady Indus., Inc.*, 489 S.W.3d 784, 789 (Mo. banc 2016) (quotation omitted). Section 105.957 provides that the MEC may “receive any complaints alleging violation of . . . [t]he provisions of the constitution . . . relating to the official conduct of officials or employees of the state.” § 105.957.1(6), RSMo. Thus, whether the MEC may receive complaints of violations of Amendment 1’s gift-limitation and waiting-period provisions depends on whether those constitutional provisions “relate[] to the official conduct of officials or employees of the state.” *Id.*

Courts have consistently characterized the plain and ordinary meaning of the phrase “relating to” as expansive. “The ordinary meaning of [the phrase ‘relating to’] is a broad one— ‘to stand in some relation; to have bearing or concern; to pertain; refer; to bring into association with or connection with.’” *Morales v. Trans World Airlines, Inc.*, 504 U.S. 374, 383 (1992)

(quoting BLACK’S LAW DICTIONARY (5th ed. 1979)); *see also, e.g., Mizrahi v. Gonzales*, 492 F.3d 156, 159 (2d Cir. 2007) (explaining that the “use of the phrase ‘relating to’ in [statutes] generally signals [an] expansive [legislative] intent”). Missouri courts have similarly interpreted the words “relate” and “related” broadly to mean the existence of some relationship or connection. *See Brown v. Carnahan*, 370 S.W.3d 637, 652 (Mo. banc 2012) (“‘Related’ is defined as ‘having a relationship; connected by reason of an established or discoverable relation.’” (quoting WEBSTER’S THIRD NEW INT’L DICTIONARY, UNABRIDGED 1916 (2002))); *State v. Myers*, 248 S.W.3d 19, 26 (Mo. App. E.D. 2008) (“According to the dictionary, ‘relate’ means ‘to have relationship or connection.’”). Thus, a constitutional provision falls within the scope of § 105.957.1(6) if the provision has some relationship or connection to the “official conduct of officials or employees of the state.” For the reasons stated below, we find that both the waiting-period and the gift-limitation provisions have such a relationship and connection and thus fall within the scope of § 105.957.1(6).¹

I. The Waiting-Period Provision (Mo. Const. Art. III, § 2(a)) Relates to the Official Conduct of State Officials and Employees.

Amendment 1’s waiting-period provision has a direct relationship with and connection to the official conduct of state officials and employees, and thus that provision falls within the scope of § 105.957.1(6). Amendment 1 prohibits any member or employee of the General Assembly from serving, registering, or soliciting business as a “paid lobbyist” during the two years following the end of the last legislative session in which the member or employee served. Mo. Const. Art. III, § 2(a). “When interpreting a constitutional provision, [courts] consider the words used in their plain and ordinary meaning.” *In re Finnegan*, 327 S.W.3d 524, 526 (Mo. banc 2010). “If a word used is not defined, [courts apply] the plain and ordinary meaning of the word as found in the dictionary.” A “lobbyist” is “one who lobbies” or “a person employed and compensated for lobbying.” WEBSTER’S THIRD NEW INT’L DICTIONARY, UNABRIDGED 1326 (2002). To “lobby,” in turn, means “to conduct activities . . . with the objective of influencing public officials,” and “to advance or otherwise secure favorable treatment of [an initiative] by influencing public officials.” *Id.* Thus, the plain and ordinary meaning of Amendment 1’s text demonstrates that the waiting-period provision applies only to one who seeks to influence public officials. *Id.* Moreover, under existing Missouri statutes, the term “lobbyist” applies only to those who seek to influence official action of the Executive, Legislative, or Judicial Branches of government. *See* § 105.470(1), (3), (4), (5). By definition, then, a paid lobbyist seeks to influence the official conduct of government actors. As a result, regulation of paid lobbyists necessarily has a direct relationship to and connection with the “official conduct of officials or employees of the state.” § 105.957.1(6), RSMo. Thus, Amendment 1’s waiting-period provision falls within the scope of § 105.957.1(6). *Id.*

¹ This opinion takes no position on the advisability of Amendment 1’s underlying policies, nor does it take any position on whether Amendment 1 will in practice advance those policies. This opinion also does not address whether Amendment 1 violates any portion of the United States Constitution, such as the First Amendment or Fourteenth Amendment. Instead, this opinion addresses only the narrow question of whether the MEC may receive complaints and issue advisory opinions regarding the waiting-period and gift-limitation provisions of Amendment 1.

The relevant statutory context confirms this conclusion. “In determining the meaning of a word in a statute, [courts] will not look at any one portion of the statute in isolation. Rather, [they] will look at the word’s usage in the context of the entire statute . . .” *Union Elec. Co. v. Dir. of Revenue*, 425 S.W.3d 118, 122 (Mo. banc 2014). Statutory language “is known by the company it keeps.” *Id.* In addition to the catch-all “official conduct” category set forth in § 105.957.1(6), § 105.957.1 provides that the MEC can receive complaints of violations of several expressly enumerated statutory provisions. *See* § 105.957.1(1)-(5), RSMo. These other categories of violations provide guidance on the meaning of § 105.957.1(6)’s “official conduct” provision. *See Union Elec.*, 425 S.W.3d at 122.

Several of the statutory prohibitions expressly enumerated in § 105.957.1(1)-(5) closely resemble Amendment 1’s waiting-period provision. Perhaps most notably, § 105.455 prohibits many state officials—including members of the General Assembly—from engaging in lobbying during the six months following their departure from office. § 105.455.1, .2, RSMo. Similarly, § 105.454 prohibits an Executive Branch elected or appointed official from “[p]erform[ing] any services for consideration, during one year after termination of his or her office or employment, by which performance he or she attempts to influence a decision of any agency of the state.” § 105.454.1(5), RSMo. And § 105.462 prohibits certain state officials with rulemaking authority from “[p]erform[ing] for one year after termination of his or her employment any service for compensation for any person, firm or corporation to influence the decision or action of the agency with which he or she served as a member.” § 105.462.1(3), RSMo. Each of these provisions closely resembles Amendment 1’s waiting-period provision. *See* Mo. Const. Art. III, § 2(a). And § 105.957.1 expressly authorizes the MEC to receive complaints of violations of each of those statutory provisions. *See* § 105.957.1(5), RSMo. This statutory context strongly supports the conclusion that Amendment 1’s waiting-period provision falls within the scope of § 105.957.1(6). *See Union Elec.*, 425 S.W.3d at 122. Thus, we conclude that the MEC may receive complaints of violations of Amendment 1’s waiting-period provision. And because it can receive complaints of violations of that provision, the MEC also has authority to issue advisory opinions relating to that provision. § 105.955.16, RSMo.

II. The Gift-Limitation Provision (Mo. Const. Art. III, § 2(b)) Relates to the Official Conduct of State Officials and Employees.

Amendment 1’s gift-limitation provision also has a clear relationship with and connection to the official conduct of state officials and employees, because it seeks to limit the possibility that lobbyist gifts could influence a government actor’s official conduct. Courts have consistently recognized that gifts from lobbyists raise the possibility that those gifts might influence how legislators or staffers exercise their official powers. *See, e.g., United States v. Sawyer*, 85 F.3d 713, 728 (1st Cir. 1996); *cf. Ritter v. Ashcroft*, 561 S.W.3d 74, 86 (Mo. App. W.D. 2018). Because the gift-limitation provision seeks to regulate the influence of lobbyist gifts on the official conduct of legislators and their staff, the provision has a clear relationship with and connection to the official conduct of state officials and employees. Thus, the gift-limitation provision falls within the scope of § 105.957.1(6), RSMo. And because it can receive complaints of violations of that provision, the MEC also has authority to issue advisory opinions relating to that provision. § 105.955.16, RSMo.

CONCLUSION

For the reasons stated above, we conclude that the MEC has authority to receive complaints of alleged violations of Amendment 1's waiting-period and gift-limitation provisions, and to issue advisory opinions relating to those provisions.

Sincerely,

Do you want to amend Missouri law to:

- impose a state tax on long-term capital gains and qualified dividends (gains and dividends) in an amount equal to the difference between the federal taxes paid on gains and dividends and the rate that would have been paid had the gains or dividends been taxed as marginal ordinary income; and
- use these tax revenues to increase the percentage of electricity generated by wind and solar sources in Missouri, while creating as many jobs as possible, until 90% or more of the state's electricity is from wind and solar sources?

Pursuant to § 116.334, RSMo, we approve the legal content and form of the proposed statement. Because our review of the statement is mandated by statute, no action that we take with respect to such review should be construed

OPINION LETTER NO. 118-2019

The Honorable John R. Ashcroft
Missouri Secretary of State
James C. Kirkpatrick State Information Center
600 West Main Street
Jefferson City, MO 65101

Dear Secretary Ashcroft:

This opinion letter responds to your request dated June 27, 2019, for our review under § 116.332, RSMo, of the sufficiency as to form of an initiative petition submitted by Winston Apple (2020-094).

We conclude that the petition must be rejected for at least the following reason:

The petition does not contain "all matter which is to be deleted included in its proper place enclosed in brackets and all new matter shown underlined" as required pursuant to § 116.050, RSMo.

Because of our rejection of the form of the petition for the reasons stated above, we have not reviewed the petition to determine whether additional deficiencies exist. Pursuant to § 116.332.4, RSMo, the Secretary of State is authorized to review this opinion and "make a final decision as to the approval or rejection of the form of the petition."

Very truly yours,

OPINION LETTER NO. 119-2019

The Honorable John R. Ashcroft
Missouri Secretary of State
James C. Kirkpatrick State Information Center
600 West Main Street
Jefferson City, MO 65101

Dear Secretary Ashcroft:

This opinion letter responds to your request dated June 27, 2019, for our review under § 116.332, RSMo, of the sufficiency as to form of an initiative petition to amend Chapter 192, Revised Statutes of Missouri, submitted by Winston Apple (2020-096).

We approve the petition as to form, but § 116.332 gives the Secretary of State final authority to approve or reject the petition. Therefore, our approval of the form of the petition does not preclude you from rejecting the petition.

Because our review of the petition is simply for the purpose of determining sufficiency as to form, the fact that we do not reject the petition is not to be construed as a determination that the petition is sufficient as to substance. Likewise, because our review is mandated by statute, no action that we take with respect to such review should be construed as an endorsement of the petition or of the objectives of its proponents, or the expression of any view respecting the adequacy or inadequacy of the petition generally.

Very truly yours,

A handwritten signature in black ink, reading "Eric S. Schmitt", is positioned above the printed name.

Dear Secretary Ashcroft:

This opinion letter responds to your request dated July 1, 2019, for our review under § 116.332, RSMo, of the sufficiency as to form of an initiative petition to amend Chapters 130 and 143, Revised Statutes of Missouri, submitted by Winston Apple (2020-099).

We approve the petition as to form, but § 116.332 gives the Secretary of State final authority to approve or reject the petition. Therefore, our approval of the form of the petition does not preclude you from rejecting the petition.

Because our review of the petition is simply for the purpose of determining sufficiency as to form, the fact that we do not reject the petition is not to be construed as a determination that the petition is sufficient as to substance. Likewise, because our review is mandated by statute, no action that we take with respect to such review should be construed as an endorsement of the petition or of the objectives of its proponents, or the expression of any view respecting the adequacy or inadequacy of the petition generally.

Dear Auditor Galloway:

This office received your letter of July 17, 2019, submitting a fiscal note and fiscal note summary prepared under § 116.175, RSMo, for an initiative petition submitted by Mary Anne Sedey (20-097). The fiscal note summary that you submitted is as follows:

State governmental entities expect one-time costs of at least \$1 million and possible ongoing costs. Local governments are expected to have costs of an unknown amount totaling at least \$756,000 in one-time costs, \$61,000 in annual costs, and \$82,000 in costs per election.

Under § 116.175.4, RSMo, we approve the legal content and form of the fiscal note summary. Because our review of the fiscal note summary is mandated by statute, no action that we take with respect to such review should be construed as an endorsement of the initiative petition or as the expression of any view regarding the objectives of its proponents.

Very truly yours,

OPINION LETTER NO. 143-2019

The Honorable John R. Ashcroft
Missouri Secretary of State
James C. Kirkpatrick State Information Center
600 West Main Street
Jefferson City, MO 65101

Dear Secretary Ashcroft:

This opinion letter responds to your request dated July 18, 2019, for our review under § 116.332, RSMo, of the sufficiency as to form of an initiative petition submitted by Charles Hurth (2020-100).

We conclude that the petition must be rejected for at least the following reasons:

1. The petition is not in the form prescribed by § 116.040, RSMo.
2. The petition does not contain "all matter which is to be deleted included in its proper place enclosed in brackets and all new matter shown underlined" as required pursuant to § 116.050, RSMo.

Because of our rejection of the form of the petition for the reasons stated above, we have not reviewed the petition to determine whether additional deficiencies exist. Pursuant to § 116.332.4, RSMo, the Secretary of State is authorized to review this opinion and "make a final decision as to the approval or rejection of the form of the petition."

Very truly yours,

This opinion letter responds to your request dated July 19, 2019, for our review under § 116.334, RSMo, of a proposed summary statement prepared for the petition submitted by Mary Anne Sedey regarding a proposed constitutional amendment to amend Article VIII of the Missouri Constitution, version 1 (2020-072). Do you want to amend the Missouri Constitution to:

- establish automatic voter registration of individuals at least 16 years old from state agency lists (including the departments of revenue, social services, corrections and conservation);

OPINION LETTER NO. 158-2019

The Honorable John R. Ashcroft
Missouri Secretary of State
James C. Kirkpatrick State Information Center
600 West Main Street
Jefferson City, MO 65101

Dear Secretary Ashcroft:

This opinion letter responds to your request dated July 19, 2019, for our review under § 116.334, RSMo, of a proposed summary statement prepared for the petition submitted by Shetova Hayes regarding a proposed amendment to amend Chapter 558, Revised Statutes of Missouri (2020-092). The proposed summary statement is as follows:

Do you want to amend Missouri law regarding minimum prison terms for offenders found guilty of dangerous felonies (includes arson, assault, murder and robbery) as follows:

- for the first conviction, the offender must serve 50% of the court sentence (current law is 85%);
- for the second and subsequent convictions, the offender must serve 85% of the court sentence (no change to current law);
- this amendment will be effective for all dangerous felonies occurring on or after August 28, 1994; and
- require parole to be granted to offenders with the best possible institutional score?

Pursuant to § 116.334, RSMo, we approve the legal content and form of the proposed statement. Because our review of the statement is mandated by statute, no action that we take with respect to such review should be construed as an endorsement of the petition, nor as the expression of any view regarding the objectives of its proponents.

OPINION LETTER NO. 159-2019

The Honorable Nicole Galloway
Missouri State Auditor
State Capitol, Room 121
Jefferson City, MO 65101

Dear Auditor Galloway:

This office received your letter of July 22, 2019, submitting a fiscal note and fiscal note summary prepared under § 116.175, RSMo, for an initiative petition submitted by Winston Apple (20-099). The fiscal note summary that you submitted is as follows:

State governmental entities anticipate decreased revenues in the General Revenue Fund of up to \$16.1 million annually by 2022 and anticipate corresponding increased annual revenues in the Missouri Elections Trust Fund. Local governmental entities expect no costs or savings from this proposal.

Under § 116.175.4, RSMo, we approve the legal content and form of the fiscal note summary. Because our review of the fiscal note summary is mandated by statute, no action that we take with respect to such review should be construed as an endorsement of the initiative petition or as the expression of any view regarding the objectives of its proponents. Furthermore, our review under § 116.175.4 does not examine the fairness or sufficiency of the estimated fiscal impact.

This opinion letter responds to your request dated July 25, 2019, for our review under § 116.332, RSMo, of the sufficiency as to form of an initiative petition to amend Article VIII of the Missouri Constitution submitted by Winston Apple (2020-101).

OPINION LETTER NO. 176-2019

The Honorable John R. Ashcroft
Missouri Secretary of State
James C. Kirkpatrick State Information Center
600 West Main Street
Jefferson City, MO 65101

Dear Secretary Ashcroft:

This opinion letter responds to your request dated August 9, 2019, for our review under § 116.332, RSMo, of the sufficiency as to form of an initiative petition to amend Article VIII of the Missouri Constitution submitted by Mary Anne Sedey, version 8 (2020-112).

We approve the petition as to form, but § 116.332 gives the Secretary of State final authority to approve or reject the petition. Therefore, our approval of the form of the petition does not preclude you from rejecting the petition.

Because our review of the petition is simply for the purpose of determining sufficiency as to form, the fact that we do not reject the petition is not to be construed as a determination that the petition is sufficient as to substance. Likewise, because our review is mandated by statute, no action that we take with respect to such review should be construed as an endorsement of the petition or of the objectives of its proponents, or the expression of any view respecting the adequacy or inadequacy of the petition generally.

Very truly yours,

A handwritten signature in black ink that reads "Eric S. Schmitt".

OPINION LETTER NO. 177-2019

The Honorable Nicole Galloway
Missouri State Auditor
State Capitol, Room 121
Jefferson City, MO 65101

Dear Auditor Galloway:

This office received your letter of August 14, 2019, submitting a fiscal note and fiscal note summary prepared under § 116.175, RSMo, for an initiative petition submitted by Winston Apple (20-101). The fiscal note summary that you submitted is as follows:

Local governmental entities are estimated to have total one-time costs to upgrade or replace voting machines ranging from \$0 to \$37.8 million, and costs per election of an unknown amount totaling at least \$25,000. State governmental entities estimate no savings and possible costs of an unknown amount.

Under § 116.175.4, RSMo, we approve the legal content and form of the fiscal note summary. Because our review of the fiscal note summary is mandated by statute, no action that we take with respect to such review should be construed as an endorsement of the initiative petition or as the expression of any view regarding the objectives of its proponents. Furthermore, our review under § 116.175.4 does not examine the fairness or sufficiency of the estimated fiscal impact.

The proposed summary statement is as follows:

Dear Secretary Ashcroft:

This opinion letter responds to your request dated September 9, 2019, for our review under § 116.334, RSMo, of a proposed summary statement prepared for the petition submitted by Mary Anne Sedey regarding a proposed constitutional amendment to amend Article VIII of the Missouri Constitution, version 3 (2020-107). The proposed summary statement is as follows:

Do you want to amend the Missouri Constitution to:

- establish automatic voter registration of adults from state agency lists (including the departments of revenue, social services, corrections and conservation);

- give 16 and 17 year olds an opportunity to pre-register to vote;
- require the secretary of state and election authorities to make available a list of registered voters who voted by a particular method (mail, in person or military); and
- allow in-person voting the weekend before an election?

Pursuant to § 116.334, RSMo, we approve the legal content and form of the proposed statement. Because our review of the statement is mandated by statute, no action that we take with respect to such review should be construed as an endorsement of the petition, nor as the expression of any view regarding the objectives of its proponents.

Dear Secretary Ashcroft:

This opinion letter responds to your request dated September 10, 2019, for our review under § 116.332, RSMo, of the sufficiency as to form of an initiative petition to amend Article IX of the Missouri Constitution submitted by DeeAnn Aull, version 1 (2020-117).

We approve the petition as to form, but § 116.332 gives the Secretary of State final authority to approve or reject the petition. Therefore, our approval of the form of the petition does not preclude you from rejecting the petition.

Because our review of the petition is simply for the purpose of determining sufficiency as to form, the fact that we do not reject the petition is not to be construed as a determination that the petition is sufficient as to substance. Likewise, because our review is mandated by statute, no action that we take with respect to such review should be construed as an endorsement of the petition or of the objectives of its proponents, or the expression of any view respecting the adequacy or inadequacy of the petition generally.

This opinion letter responds to your request dated October 1, 2019, for our review under § 116.332, RSMo, of the sufficiency as to form of an initiative petition submitted by Charles Hurth (2020-124).

Dear Secretary Ashcroft:

This opinion letter responds to your request dated October 4, 2019, for our review under § 116.334, RSMo, of a proposed summary statement prepared for the petition submitted by James Owen regarding a proposed amendment to amend Chapter 393, Revised Statutes of Missouri, version 2 (2020-114). The proposed summary statement is as follows:

Do you want to amend Missouri law regarding the renewable energy standard applicable to investor-owned electric utilities as follows:

- increase the minimum renewable energy amount from the existing 15% of retail sales in 2021 to 20% by 2022, 27% by 2025, 35% by 2028, 42% by 2031, and 50% by 2035;
- only allow the use of renewable energy credits if they are associated with electricity the utility sold to Missouri customers; and
- require each utility to purchase at least half of the renewable energy used to meet the standard from resources it does not own?

Pursuant to § 116.334, RSMo, we approve the legal content and form of the proposed statement. Because our review of the statement is mandated by statute, no action that we take with respect to such review should be construed as an endorsement of the petition, nor as the expression of any view regarding the objectives of its proponents.

This opinion letter responds to your request dated November 6, 2019, for our review under § 116.332, RSMo, of the sufficiency as to form of an initiative petition to amend Article VIII, version 6, of the Missouri Constitution submitted by Mary Anne Sedey, (2020-134).

We approve the petition as to form, but § 116.332 gives the Secretary of State final authority to approve or reject the petition. Therefore, our approval of the form of the petition does not preclude you from rejecting the petition.

Because our review of the petition is simply for the purpose of determining sufficiency as to form, the fact that we do not reject the petition is not to be construed as a determination that the petition is sufficient as to substance. Likewise, because our review is mandated by statute, no action that we take with respect to such review should be construed as an endorsement of the petition or of the objectives of its proponents, or the expression of any view respecting the adequacy or inadequacy of the petition generally.

Very truly yours,
